Little Damage Done.

Director Mitchell, of the weather bureau at Jacksonville, says very little damage was done the orange trees of the state by the late cold snap. This information is the result of 100 inquiries. The vegetable crop, of course, was severely damaged and in many cases ruined.

The Coming Woman

Who goes to the club while her husband tends the baby, as well as the good old-fashioned woman who looks after her home, will both at times get run down in health. They will be troubled with loss of appetite, headache, sleeplessness, fainting or dizzy spells. The most wonderful remedy for these women is Electric Bitters. Thousands of sufferers from Lamé Back and Weak Kidneys rise up and call it blessed. It is the medicine for women. Female complaints and nervous troubles of all kinds are soon relieved by the use of Electric Bitters. Delicate women should keep this remedy on hand to build up the system. Only 50c per bottle. F. C. Alworth & Co.

A LONG CROOKED ROAD.

Love has a long way to go to reach the heart of the modern up-to-date young man. When he looks for a wife, he expects a good deal. Probably he expects more than he deserves. He wants good looks, good sense, good nature, good health. They usually go together. An observing man learns that a woman who is physically weak and nervous is likely to be ill-natured. The sweetest temper is ruined by continual sickness.

A woman whose nerves are constantly racked and dragged by debilitating drains and inflammation, cannot be a genial companion or happy wife; and she is totally unfitted to be a mother. These troubles prevail almost universally among women largely because of carelessness and neglect. There is no need of them. Dr. Pierce's Favorite Prescription is a positive specific for the weakness and diseases of the feminine organism. It cures them radically and completely. It heals, strengthens and purifies. It is the only scientific remedy devised for this special purpose by an educated, skilled physician. It is the only medicine that makes motherhood easy and absolutely safe.

Its sale, through dealers in medicines exceeds the combined sale of all other medicines for women. It acts directly and only on the child-bearing organism. It cures inflammation, soothes pain, heals ulceration and gives the tortured nerves a rest. It does away with the discomforts of the expectant period and makes baby's coming easy and comparatively painless. Thousands of women have testified to its wonderful virtues. All good druggists sell it and honest dealers will not offer inferior substitutes for the sake of a little extra profit. Dr. Pierce has been for thirty years chief consulting physician of the famous Ingalis Hotel and Surgical Institute, at Buffalo, N. Y. His reputation as a skilled specialist in woman's ailments is world-wide.

Miss Lauretta McNeese, of Reno (P. O. Box 723, Washoe Co., Nev., writes: "I have discontinued taking the 'Prescription' and will not take any more (at present). Last month I had my third child, worked every day without any inconvenience whatever. It was the first time I never had pain during that period. I cannot say too much for your medicines especially the 'Favorite Prescription' and 'Pleasant Pellets.' I know of a lady who took one bottle of your 'Favorite Prescription' and she says she was not sick like she was with her first baby. This was her second baby. She thinks it a grand medicine. So do I."

"For years I had been failing in health and kept getting worse and more nervous all the time," writes Mrs. Annie Dulan, of East Stroudsburg, Monroe Co., Pa. "I doctored with two different doctors and they told me that my system was run down and my nerves were weak. I had ulcers of the uterus which were so painful at times that I was afraid that they must be cancer. Indeed I felt discouraged with the treatment, and did not get any better until my doctor advised me to write to you and I did."

"I commenced taking your 'Golden Medical Discovery' and 'Favorite Prescription' and followed your advice as closely as I could. I took twelve bottles in all, six of each. Thanks to God and the kind of medicine I feel myself cured and a well woman. I have no bad feeling whatever and can do the work for a family of eight, and feel better than I have for years."

Dr. Pierce has had a life-time of experience in this particular field. His 100-page illustrated book, "The People's Common Sense Medical Adviser" containing several chapters devoted to woman's special physiology. A paper-bound copy will be sent free on receipt of 21 one-cent stamps to pay the cost of mailing only. Address, World's Dispensary Medical Association, Buffalo, N. Y. For a cloth-bound copy send 31 stamps.
